VOLUME XXXIV — ALBANY, CALIFORNIA — Wednesday, Nov. 6, 1968 — 150 — NUMBER 9

THERE WAS brisk business in our precinct yesterday morning. For the first time in memory, I waited in line to vote. Interestingly enough, those behind the curtains didn't waste time, indicating they knew before they arrived exactly how they were going to vote.

JOHNNIE GRISHAM of Jim Turner's office at City Hall is a medical patient at Alta Bates hospital and could be off work for quite a spell.

EUGENE LOZANO, a student at the Blind Orientation Center, lost his glasses last Thursday and would appreciate their return if anyone has found them. They have thick rose-tinted lenses and smoke colored frames. He lost them on a walk, probably in the area of Adams and Washington.

HAPPY SIXTH anniversary to Borge Village. See their ad in today's paper.

HAPPY SILVER ANNIVERSARY to Albany Lions. We're planning to attend their dinner Saturday night and hope to see many of you non-Lions on deck to congratulate them on their years of service to our little city.

DROVE AROUND TOWN Halloween night to see the little witches and goblins, lighted pumpkins on porches and in windows and to get an idea of how everything was going. You could hear the shrieks of little kids a block away from the Culley house on Madison, where the porch was dimly lighted, a Frankenstein dummy with moving hands was propped on the porch railing, recorded screams and moans chilled the air and two live Frankensteins answered the doorbell. The kids loved it. Also noted were several aluminum foil-covered robots among the trick or treaters.

Dinner-Dance

Albany Lions Club Plans 25th Anniversary Saturday

Chartered during the busy war days of 1943, Albany Lions will this week gather with friends to commemorate 25 years of dedicated service to their country, community and fellowman.

Setting for the quarter-century party will be the Orinda Willows, Orinda, Saturday evening, Nov. 9.

Festivities will be kicked off with a 7 p.m. no host friendship hour followed by a dinner dance scheduled for 8 p.m.

The informal evening will be devoted to Lion fellowship with speeches few and short.

J. Henry Kruse, president of the Albany club, reflecting proudly on the many accomplishments of his active group emphasised no project is too small or too large if it will contribute to improving the community.

Continuing with enthusiasm, Kruse expressed deep gratitude for the wonderful support Albany residents demonstrate so well, each time the Lions enter upon their fund raising activities.

Glenn French, charter president, noted such fine cooperation by their community has really been responsible for much of the Lions success.

The never-failing assistance provided the encouragement, often needed, for members to carry forward with worthy projects which on occasion would have been by-passed.

Currently the members are assisting the city Park Department in a long range beautification program by planting trees.

This week, the club will join their community in providing Christmas gifts for those Albany service boys occupied with their duties overseas.

The Lions extend a most cordial invitation to their Albany neighbors to enjoy this memorable evening with nice people who are proud of a fine city.

Tickets are available from any Albany Lion or by calling 525-1771, 525-7065 or 525-9965.

Tickets are $5.50 per person for dinner.

Woulfe Ford Receives Top Honor

Ford Motor Company has honored Jim Woulfe, president of Jim Woulfe Ford, Inc., with the first annual Customer Relations Citation for outstanding contribution and leadership in good customer relations.

To be considered for his distinction, a Ford dealer must first earn the Distinguished Achievement Award, attesting to the high quality of his service and merchandising practices.

In addition, dealers must have demonstrated an ability to consistently achieve a higher than normal degree of customer satisfaction and they are recognized as leaders in this regard. The Customer Relations Citation is further proof of knowing the meaning of placing the customer first.

A dinner honoring all 45 employees will be held Friday, Nov. 8, at Kirby's. Ford Motor Company executives W. M. Edmands and G. J. Mieger will make the presentation. "It's the Going Thing."

ANNUAL VETERANS DAY PARADE IN SAN LEANDRO

Alameda County's 15th annual Veterans Day parade moves to San Leandro this year, beginning at 10:30 a.m. Monday on Bancroft Avenue at the Veterans' building.

The reviewing stand will be on East 14th in front of City Hall. John K. Chapel will be the announcer again this year.

Always a splendid, colorful, patriotic display, the parade features marching bands, drum and bugle corps, bagpipe ensembles, drill teams, floats and mounted horsemen.

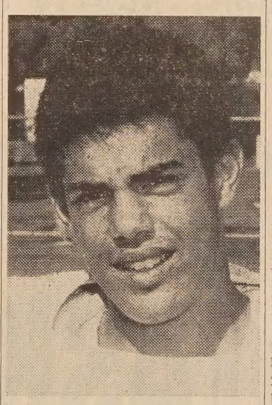

The parade has been designated the Western States Regional Observance for Veterans Day. It is sponsored by the Vounty Veterans' Day commission and Disabled American Veterans. The committee includes Ralph Beemer of Albany, representing Veterans of Foreign Wars.

A coordinated fly-over by the military from several military bases in the area will kick-off the parade, which will feature more than 3,000 marchers this year.

Grand marshal will be Lt. Gen. Herman Nickerson, Jr., USMC. Mrs. Anabelle Cabral of San Lorenzo will officially represent mothers of all sons killed in action in the wars.

Al Wyatt of San Leandro is city chairman for the parade.

Athlete of Week

ALBANY BOOSTER CLUB Athlete of the Week for October 14-18 is Freshman Lenny Patterson. Len distinguished himself in the victory over Livermore when he threw three touchdown passes and directed the offense from his quarterback position. In addition, Len helped the tough Cougar defense as he led the charge from his middle guard position. Keep up the good work, Len!

Frank Knapp Day Will Be Nov. 16

The fifth annual Frank Knapp Day, somewhat revised but still in keeping with the dreams of the originator, will be held at the Veterans Memorial building on Portland Saturday evening, Nov. 16.

Dinner, entertainment and prizes are being planned by members of American Legion post 292, which has taken over the benefit at the request of Frank Knapp.

Knapp, former owner of the 1089 club, turned over the gross receipts for one day near Veterans Day to be used by the post and auixiliary for rehabilitation work.

Now that the project has become Frank Knapp-Post 292 Rehab Day and moved to the new location, the Legion is attempting to carry on the tradition of high financial returns and good sociability. The post and auxiliary members are urged to bring their friends and relatives to help raise funds for hospital patient relief and welfare.

The committee is eager to locate her former pupils, so anyone having information as to the names and addresses of any of them please send this information to Mrs. Ethel Schell Murphy, 1152 Portland Ave., Albany 94706, as soon as possible so they can be contacted immediately.

Coble also reported that the C of C hopes within three months to make a report on activities including the selection of a manager.

Vice Mayor H. F. Call presided. He named Councilman Joe Carlevaro to serve as a member of the finance committee in Howell's absence.

Council held over for a week awarding of the contract for widening Masonic Avenue because Pacific Telephone company has not finished its portion of the work. Lee J. Immel was low bidder.

They voted to hold a meeting as soon as possible with members of the Police and Fire Pension board, city attorney, administrative officer and representative of J. Barth and company.

'OVERSEAS YULE POOL' CREATING WAVES!

"Overseas Yule Pool" sponsored by the Albany Chamber of Commerce with the objective of sending every Albany serviceman overseas a Christmas package from "the folks at home" is making waves.

Phones have been ringing with addresses of the servicemen and offers of assistance with this worthwhile project. Flowerland has donated the small Christmas tree to decorate the Chamber window displaying gift suggestions for citizens of Albany to give for the gift boxes. Joe Dagna of Dagna's Market, "That Friendly Store for Friendly People," has made colorful signs to promote the drive. Vice Mayor Hubert Call, owner of Call Bros. Jewelry, has donated handsome ballpoint pens—one for each gift box. Cash donations and gift items are beginning to be delivered to the Chamber of Commerce office at 1108 Solano Ave.

Mothers-in-the-know have added gift suggestions to those listed in the Albany Times last week. They are: small shaving mirrors, self sealing envelopes, pen-size flashlights or key chain flashlights, lighter fluid, flints, plastic baggies, jerkie, canned puddings, bread sticks (to go with the small salamis suggested last week), chap sticks, Wash 'n Dry Towelettes, and small puzzles.

The Albany Chamber of Commerce will be open Monday through Friday from 9 a.m. to 4 p.m. during the month of November to receive gifts. The Chamber again reminds donors to bring with your gift—no matter how small it is—a Christmas card with your name and address on it.

When you are doing your week-end shopping, pick up one small item for "Overseas Yule Pool" and help promote a tidal wave of Christmas admiration and affection for Albany's servicemen who will be spending the holiday season on foreign soil. If the boys can't come home for Christmas, join the Albany Chamber of Commerce in sending a box of "home" to them!

Bring your gift to the Albany Chamber of Commerce, 1108 Solano Avenue.

OAKS HALLOWEEN PROGRAM IS SUCCESSFUL

Thousand Oaks Merchants concluded their constructive Halloween festivities Oct. 31, with a parade of several hundred children from Tousand Oaks school dressed in their colorful costumes. Leading the parade was one of Berkeley's fire engines with red lights glowing, followed by the Berkeley High school band under the direction of Bob Lutt.

The parade is one of the activities merchants provide for the community. On Oct. 30, they turned their windows over to some 50 youngsters from Martin Luther King school so they might draw their impressions of Halloween on them. Many ribbons were awarded the artists as well as five $5 grand awards which were received by May Wong, Carlene Jensen, Ted Kostainsek, Debbie Attamirano, and Marianne Fogel. Judges for window paintings were PTA members, Jack Hawley, Mrs. Harry Bier, and Mrs. Scott Merrick.

Sixty-four pumpkins were entered by children from Berkeley and Albany in the pumpkin head contest. $50 in awards were given to Jimmy Hanscom, Lise Naparst, Walter Freeman, Harley Jessup, Stuart Counsel, Robin Pennell.

Also awarded were 16 passes to the Oaks Theater for honorable mentions.

TOPS Accepting New Members

"I wouldn't be fat again for anything in the world. I feel so much better this way." These are the words of Determined Tops 1967 queen, who lost 56 pounds during her first year in this organization whose purpose is to aid its members to Take Off Pounds Sensibly.

Determined Tops meets upstairs at The Co-op, Sattuck at Cedar, Berkeley, at 1 p.m. every Monday. "With the holiday season approaching we know NOW is the time to start a losing streak rather than to let all those holiday goodies start us on a gaining binge, so we are starting some new programs and contests. Because we want to follow the good example set by our Queen and also to share this great opportunity with others we are now accepting new members. Anyone sincerely interested in losing some weight is welcome."

According to his proud grandmother, Mrs. Vera Darling of El Cerrito, this is the fourth honor Richard has received. Others are the Air Medal, Army Commendation and Vietnam Valor Award.

HELPING OBSERVE the 125th anniversary of B'Nai B'rith last month, Mrs. Julius Magid of Berkeley and Mrs. Dini Rubinstein of Albany ,left to right, packed staples for about 50 medically high risk expectant mothers to insure the birth of healthy babies. Both are members of the Berkeley chapter of B'nai B'rith.

B'nai B'rith Women Sponsor 'Operation Future'

B'nai B'rith Women and the March of Dimes have cooperated in "Operation Future," a project to collect food for about 50 medically high risk expectant mothers and to reduce threats of birth defects and prematurity for their babies.

The collection was turned over to the Berkeley Health department this week for distribution through the $265,000 federally sponsored Maternity and Infant Care project.

The federal program provides a specialist to give advice on nutrition but cannot buy the food prescribed. Some of the women are too poor to buy enough food and yet do not qualify for any welfare program.

The women from B'nai B'rith adopted "Operation Future" as their observance of the 125th anniversary of the founding of the world's oldest service club. They and their teenagers devoted the month of October to the project.

According to Mrs. Edward Mazzini, March of Dimes education and action committee chairman, "Such a project as this is a perfect example of community effort to prevent birth defects, rather than trying to repair the damage later at much greater cost and suffering."

Membership Campaign For AHS PTA

Mrs. Frank McKenna, membership chairman of Albany high school PTA, is presently heading a membership campaign.

Friends of Albany High school who do not have children attending are invited to join the PTA by sending a dollar contribution to the Albany High school office.

Also, parents of students in Albany High who have not yet joined the PTA can do the same. Mrs. McKenna asks that the donor's name and address be included so that they can receive their membership card and their names be added to the mailing list of the High school PTA's monthly newspaper, "Hi-Notes."

Christmas Club Checks from B of A

Santa Claus will make an early visit to many thrifty Californians this year, when nearly $87 million in Bank of America Christmas Club checks — including funds for over 500 Albany residents — are distributed next month.

In making the announcement today, William McAuley, manager of the Solano Avenue branch said the local savers will be presenting themselves with a $154,000.00 gift.

May Ellis Olson Accepts TB Chairmanship for '68

For the second year in a row, Albany business woman and civic leader, Mrs. Harold Olson, 727 San Pablo Ave., has accepted the Albany chairmanship for the Christmas Seal campaign of the TB and Health Association of Alameda County.

In accepting the local chairmanship for the county's 62nd annual campaign, Mrs. Olson pointed out that this year the organization has added another crippler to its campaign against TB, emphysema and other respiratory diseases. That crippler is air polution.

"Many scientists think," she said, "that the rise of emphysema closely parallels the rise in the amount of polluted air over our congested urban centers. Without waiting for the last statistic to be in, it behooves us to start now to make clean air a condition of Alameda County. While future scientific knowledge may scoff at some of our present day theories, at least no one has suggested that breathing polluted air is good for us."

year, will go to keep our Alameda County Chestmobile rolling, help with medical research and training, support the breathing machine bank and the breathing improvement classes, and fight air pollution through education, community action, and research, the chairman said.

DENNIS AND CATHERINE MANN of 1096 Peralta became parents of a baby boy in the Albany Police ambulance en route to Alta Bates hospital Oct. 26. Officers Chester Sielert and Gerald Martin reported "mother and child in good spirits on arrival at Alta Bates. Father congratulated and mother and child left in care of the nurses."

MANY BICYCLES have been reported stolen in Albany in recent weeks. A good investment would be a lock for those bicycles the kids ride around and leave outside schools, stores, etc.

TWO MORE people in the hospital: Kathryne Etingoff underwent surgery at Albany hospital; Edna Varni was taken to Herrick hospital by police ambulance.

Student Panel For Cornell PTA

Cornell school PTA will have a student panel discussing "The School Scene — The Students' Point of View" at its meeting tomorrow night.

It should prove an enlightening program. Registration will begin at 7 p.m. and the program at 7:30 in the school cafeteria.

There will be no provisions for child care.

Little League Pops 2 Liniment League Champs

BOTTOM ROW, left to right: Jack Conklin, Jack Rosano, Jim Smith, Sal Torres, Jerry Leech, George Mendoza. Top row, left to right: Ray Hamrick, John Bartolo, Steve Weirich, John Weirich, Ben Tunuz, Choke Mejia.

Little League Pops 2, captained by John Bartolo, denied the annual Park and Recreation Department Liniment Softball League the climax of a championship play-off by downing all opponents in both halves of league play.

The invincible combination of veteran knowledge and youthful hustle produced the perfect 10-0 record for the champs, while St. Ambrose and Oliveria Plumbing tied for second, Little League Pops 1 and Gill Tract tied for third, and Little League Pops 3 rounded out the standings.

Park and Recreation Department is now accepting sign-ups for the annual Liniment Basketball League. Interested teams or individuals may sign up in person at the Community Center, 1123 8th Street, or contact the Recreation Department office at 1000 San Pablo Avenue or by calling 526-9555.

Fire Plug

"Fire is something that happens to the other fellow, maybe, but not to me."

Do you dismiss fire and its destructive potential in this casual way? Far too many of us do, yet statistics from the National Fire Protection Association (NFPA) show how wide of the mark is this attitude.

Look at the fire record in homes: In the United States, more than 600,000 homes and apartments destroyed or damaged annually, bringing death to 6,500 people. The greater part of these fatalities are the defenseless young and old.

This very year, on the basis of national averages, a home in your general neighborhood will be involved in fire, possibly a fatal one—it could be yours.

Don't gamble that you can escape the headaches or family heartbreaks that fire inevitably brings. Make fire prevention your business, too, at home and on the job. Remember, fire hurts. Take part in "Operation Edith" Exit Drills in the Home. Members of the Albany Fire Department in the very near future will inaugurate this plan for the protection of our citizens. Keep watch for more about this program.

(Suzanne McCain)
—DeJae Photo.

Traditional white flowers decorated St. Mark's Lutheran church in Pleasant Hill for the wedding of Suzanne Marie McCain and Tommie Charles Mathews, Pleasant Hill couple.

Suzanne is the daughter of Mrs. Paul Elsenius of Pleasant Hill, and a former Albany resident, and Theodore E. McCain, Sr., of San Francisco, and is a graduate of Albany High school.

Tommie, a resident of Berkeley until recently, is the son of Mrs. Oscar Mathews of Berkeley and the late Mr. Mathews. He is a graduate of Berkeley High school, attended Merritt college, an dis also a member of the Sigma Kappa Delta Fraternity. He is an employee of the Lawrence Radiation Laboratory at the University of California in Berkeley.

Suzanne, given in marriage by her stepfather, chose a floor-length gown of white organza, with tiers edged in chantally lace trimmed with iridescent sequins, a lace bodice with an Italian neckline and long sleeves. Her chapel-length veil of silk illusion was topped with a coronet of pearls with drop crystals. She carried a bouquet of white roses centered with a white orchid.

Joanne McCain of Richmond attended her cousin as maid of honor. Bridesmaids were Melise Makinen and Cheryl Vess of Albany, former classmates of the bride, and Sharon Willis of Oakland. The maid of honor's floor-length gown was of apricot hued polished cotton trimmed with white daisies at the empire waist line. The bridesmaids wore similar gowns in mint-green. They carried bouquets of white daisies with mint-green and apricot ribbon bows and streamers.

Ronald Johnson of Berkeley served as the best man, and the guests were ushered to their seats by Theodore McCain, Jr., of Berkeley, brother of the bride; Richard McCain, Richmond, the bride's cousin; and Tony Newsome of Berkeley, friend of the groom.

The patio and garden of the bride's parents' home in Pleasant Hill was the scene of the champagne reception which immediately followed the ceremony. Entertainment was provided by the well-known rhythm and blues group "The Savonics," of which the groom is a member.

Out-of-town guests included Mrs.Beulah Mayhew of Stockton, grandmother of the groom; Everett Mayhew of Sacramento, the groom's uncle; Cpl. David McCain, USMC, Oahu, Hawaii, brother of the bride; and former Oakland Port Commissioner and Oakland's newest councilman George J. Vukasin, a friend of the bride's family.

Given in marriage by her father, the bride wore a gown she had designed and made herself. An A-line peau de soi with overlay of reimbroidered lace at the neck yoke, it featured a detachable lace train held in place by a double bow of peau de soi. Her sholder length veil of silk illusion fell from a pillbox of lace. She carried a nosegay of colored flowers and her mother-in-law's handkerchief.

Matron of honor was Mrs. Gary McCoy of Hayward. Bridesmaids were Miss Barbara Johnson of El Cerrito and Miss Susan Koser of Albany. All wore mint green formals with empire waistlines, jewel necklines, short puffed sleeves, headpieces of matching velvet bows securing brief mint green veils. They carried nosegays of yellow rosebuds. The matron of honor carried yellow and white rosebuds.

Soloist Martin Jones of Long Beach sang "More." The double ring rites were performed by the Rev. Garner Scott O'Dell.

Dennis Miller of Oakland was best man. Ushers included the bridegroom's brother, Gary Stewart of Berkeley and Dave Miller of Long Beach.

About 100 guests attended the wedding and reception following in the Church Brotherhood hall of the church. The bride's mother received guests wearing a two-piece beige ensemble with matching accessories and pink cymbidium orchid corsage. The bridegroom's mother wore a three-piece bone ensemble with green accessories and green cymbidium orchid.

The couple left on a wedding trip to Fort Bragg. They are at home in Berkeley.

The bride, a 1964 graduate of Albany High school, attended Merritt college and completed her junior year at San Francisco State, majoring in home economics.

Her husband, a 1964 graduate of Berkeley High school, has completed two years of active reserve duty in the U.S. Navy and is employed by Snow and Galgiani in San Francisco.

Among special guests were the bride's maternal grandfather, Henry Hautala, and the bridegroom's paternal grandmother, Mrs. L. C. Stewart, and maternal grandfather, P. E. Johnson, all of Berkeley.

New Panty Hose At Sam's

For years, smart women have known that hosiery made of Cantrece fit better than regular nylons. Because of technical difficulties, however, it was not formerly possible to manufacture panty hose of this fibre.

It has finally been accomplished by DuPont in conjunction with Trimfit, parent company of the well-known brands, Beauty Mist and Hanes.

One hundred per cent Cantrece panty hose are available in all sizes and colors now at Sam's Pharmacy.

'Toby' Dies After Life of Service to Man

You might say he was only a dog.

But Toby, the marvelous St. Bernard owned by the Everett Stanleys, did many good works during the seven short years of his life.

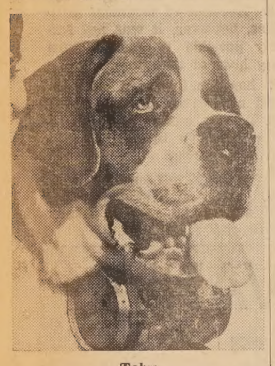

Stanley has compiled a scrapbook of press clippings and many photos of Toby, whose official name was Lord Tobias. The book also includes fan fail and Christmas cards featuring his dog.

Toby survived a couple of heart attacks, but finally died of cancer. He had been ailing and when the veterinarian performed surgery to determine his difficulty, he found cancer of the spleen. He mercifully let Toby sleep on.

During his life, Toby led a mile march for the Heart Fund, helped advertise many California Winter Sports Fairs, won blue ribbons at dog shows, was featured in dog car rides at local festivals (including the local Art Show and Merchants' Bazaar) worked as a volunteer at Napa State hospital, for mental health and United Bay Area Crusade, appeared in the fashion sections of metropolitan dailies, at Saks Fifth Avenue in San Francisco, at Berkeley Rose Garden on Mothers' Day, at the annual Roos/Atkins picnic and in a benefit fashion show for the U.S. Ski association. He was, in addition, an employee of Hennessy Cognac.

When the late President Kennedy urged more emphasis on physical fitness, Toby got into the act and headed a 50-mile hike out of El Cerrito.

Toby was a good citizen, considerably more than "only a dog."

Speaker of the evening will be Paul Harberts, president of the League for Justice and Civic Order.

Harberts will present a very interesting talk on the need for a balancing force against the liberal activists who appear to be intent on taking over our government at all levels. This is a subject of special significance to our community.

The public is invited to attend.

Matadors Romp Over Cougars

The Cougar Varsity lost its third league game in a row in a heartbreaking Homecoming game loss to Granada, 24-6. Unable to get their offense rolling, the Cougars played a tough defense, and it was a 6-6 tie game with five minutes to play in the last quarter. Heat, injuries and fatigue took their toll, and Granada was able to score three touch downs in the next few minutes.

The Albany touchdown was achieved by Rich Goforth after he picked up one of the seven fumbles the defense forced and ran 20 yards for a touchdown.

When Granada scored their final three touchdowns, Bruce Schroffel, Tom Scott and Dan Loughran were all sitting on the bench, nursing their injuries.

QUIET HALLOWEEN

Albany police report a relatively quiet Halloween. Two bicycles were stolen and one motorist reported eggs had been thrown at his car.

Albany Drubs Dublin 34-0

Albany High Freshman football team steamrollered to another win on Thursday when they clobbered a valiant delegation from Dublin, 34-0.

The Cougars scooped up all their points in the first half with Shawn Ridley scoring four touchdowns and Bob Wightman one.

Coach Mike Scullion had high words of praise for End Chris Westergaard and Halfback Dotson Wilson and credited Rich Flores, Dave Hoyle and Marty Mendonza for superior defensive action. Rick Kempe, Tyrone Raab and Terry Inserra did a fine job on offense.

In the Freshman statistics for the year so far Shawn Ridley has scored 12 TD's and Len Patterson has thrown 11 TD passes.

The undefeated team meets Amador this Thursday for the EBAL championship game to be played on the home field.

FALLS IN CEMENT

Clara Gray of 1056 Stannage fell in the fresh cement on the corner of Masonic and Solano Friday morning.

Injuries Plague AHS Cougars

The Cougar Varsity, crippled by injuries to backfield men Bruce Schroffel, Dan Loughran and Herb Russell plus linemen Tom Scott and Curt Pihl, who were disabled the previous week, suffered a 21-7 loss to John Swett. By the time the first half had ended, starters Allen Lutty and Dave Potts had joined the casualty list further weakening the Albany defense.

Even with all these boys on the bench, Albany was tough, scoring a touchdown that was called back and putting on an epic goal line stand that stopped the Indians on the one yard line before the half ended.

In the second half, Mike Wills intercepted a pass and returned it to the John Swett 7 yard line. From there Bob Fisher moved the team to the 1 yard line. Steve Valenzuela carried for the touchdown and John Whitman kicked the PAT.

Although the locals were able to stop the John Swett running game, the pass defense was porous and gave up three TD's via the pass route.

Peter Heymans, Steve Eggert, Marc Granko and Timmy Johnson were credited for making fine performances.

AHS Frosh Win Fourth

The Albany Freshmen recorded their fourth straight victory in an undefeated year on Thursday, Oct. 24, when they downed the Granada Frosh, 14-0, at Livermore.

Once again Albany was led defensively by its tandem of Lenny Patterson and Shawn Ridley. Len scored one touchdown on a one yard plunge, and a 47 yard pass to Shawn resulted in the score. Bob Wightman and Westergaard also performed on offense.

Defensively, Albany was led by middle linebacker Rich [illegible] and Jon Van Coops also played well, both boys assisting in Frosh achievement of the shutout in four games.

Senior Citizens

846 Masonic Ave.

By Emma Claymore

In spite of threatened rain, a good crowd of Seniors was present for the Thursday meeting at the Center. Bingo and the usual spirited community singing, led by Clara Edlefsen, accompanied by Marion Morey at the piano was enjoyed until noon. After lunch everyone settled down to favorite card games.

A few visitors were present. It was good to see Kathryn Kay present after a severe tussle with arthritis.

Ruth McDonough was reported in Brookside hospital for surgery.

A few of the more daring seniors were dressed in the traditional Halloween colors.

All seniors who are, or ought to be interested in securing lower bus fares for Seniors are urged to write letters to John McDonough, president of the Board of Directors of Alameda-Contra Costa Transit District, 508 16th St., Oakland, CA 94612; Senator Lewis Sherman, 1111 Jackson St., State Bldg., Oakland, CA 94607; Senator Nicholas Petris, 1111 Jackson St., State Bldg., Oakland, 94607, and to the State Assemblyman form your district.

Any Senior over 55 is eligible to write. Mrs. Isabel Van Frank, president of East Bay Council of Senior Citizens, has worked long and hard to secure this benefit for Seniors and it is time for us to help her and at the same time help ourselves. Just write the letter in your own words and ask for help in this matter.

Members are reminded to register with Ethel Macquart for the Thanksgiving dinner. For further information, call 526-1601.

Education For Childbirth

The popular Albany Adult school class, "Education for Childbirth," will meet on Monday evenings starting Nov. 4 through Dec. 9 with all sessions in Room 204 at Albany High school. Five Monday classes have been scheduled from 7 to 9:30 p.m., with Mrs. Margaret Timm as instructor.

The course is intended to provide the expectant mother with a better understanding of and a more comfortable pregnancy, labor and delivery. By using the information and exercises learned, the student should be able to cooperate more fully with her doctor and nature's process to make the birth of her baby a more satisfying experience.

Students wear pedal-pushers or similar clothing and tennis shoes. It would also be appropriate if participants could bring a pillow or blanket or a small rug. A doctor's written approval is required for admission to the class.

The course will be limited to married persons only on a first come first served basis. A small fee is required, and husbands are encouraged to attend and help in the physical training of their wives.

Stan Wilson Here Nov. 15

Stan Wilson

Albany High school Senior class is presenting "Stan Wilson in Concert" starring musician-comedian, Stan Wilson, Nov. 15, at the high school gym at 8 p.m.

The seniors are raising money for their All Night Party at Disneyland, and all proceeds will go to help pay for the trip.

Stan Wilson has been a performer for 14 years, starting at the original Hungry i in San Francisco. He was so well received, he played there three years. From there he went to every major city in the United States and overseas. He recently returned from teaching Navajo Indians and collecting Indian songs for his routine.

He is a versatile performer. He plays a strong accoustic guitar accompaniment to his firm, mellow and melodic voice. He sings pop ballads, Spanish and Calypso songs, folk songs, a stirring version of "Hello Central, Give Me Doctor Jazz," love ballads, and songs like gorgeous "Shenandoah." He also has a robust sense of humor seen between songs, and includes a sing-along in his routine to which his audiences respond enthusiastically.

The tickets cost only $1 and will help to send Albany High Seniors to Disneyland for their All Night Party.
